Volunteer Needed to Serve As a Dedicated Johnson County Board of Services Foundation Board Member.

The Johnson County Board of Services Foundation (JCBSF) supports the work of Johnson County Board of Services (JCBS). JCBSF works to raise awareness about the services JCBS provides the Johnson County citizens with developmental disabilities and their families. If you believe in improving the lives of these individuals and their families, this is your chance to make a difference. As a JCBSF board member you will, meet monthly with other board members, contribute your time and talent to increase awareness in the community and to help raise funds to support the mission of JCBS. If you are interested in hearing more about the foundation, or would like to be considered for membership please contact Scott Holmberg at 660-747-2619.
