

## **Johnson County Board of Services SB40 Funding Policy and Procedure: Principle Statements**

The following are basic principle statements of the Johnson County Board of Services (“JCBS”) concerning the funding of services:

1. JCBS desires to enhance, initiate and/or expand services to persons with developmental disabilities utilizing its funds, without the possible commensurate loss of other sources of funding.
2. JCBS recognizes that persons with developmental disabilities of all ages need some type of service. JCBS believes that for the service delivery system to be truly comprehensive in meeting the needs of people with developmental disabilities, funding responsibilities must be shared. Within the service delivery system, there are defined areas of responsibilities pursuant to local, state, and federal statutory mandates. It is not the intent of JCBS to function as a substitution, either in determination of eligibility, delivery, or funding, for those services which are provided by mandate through other governmental agencies (examples include but are not limited to: Dept. of Elementary and Secondary Education, Dept. of Social Services, Dept. of Mental Health, MO Healthnet, Social Security, Vocational Rehabilitation, Housing Authority, etc.). JCBS's funding policy concentrates on services that are not a primary mandate or focus of other major public funding resources.
3. JCBS may, at its discretion, expend its funds through contractual agreement with not-for-profit agencies, provide direct provision of services, or utilize a combination of either method. This includes additional, forfeited or unused funds during each fiscal year.
4. Johnson County levy funds shall be used to supplement, not to supplant, all other public and private expenditures. All other potential resources for funding shall be explored and accessed prior to approval of funding through JCBS.
5. With respect to funding requests for the establishment of new or substantially expanded services, all applicants must demonstrate the need/demand for the proposed service by means of a waiting list verified by the referring or sponsoring entity (i.e., Dept. of Mental Health, Division of Vocational Rehabilitation) and, if applicable, a needs survey should be conducted within Johnson County.

6. In the case of projects for which the applicant is requesting partial funding, applicants must demonstrate the availability and source of other funds other than those requested from JCBS for the development and/or continued operation of the proposed service.
7. In order to serve the maximum number of persons with developmental disabilities, JCBS desires to use its available funds to leverage other funding sources. To this end, JCBS may, at its discretion, request that applicants seeking JCBS funds consider using their own financial resources and/or other resources in partnership with JCBS funds.
8. JCBS will not utilize funds to assist agencies in retiring their long-term debts. To be considered for funding, the debt must be incurred within the last twelve (12) months.
9. JCBS will not, except under special circumstances, approve funds for services rendered/expenses incurred prior to the date of JCBS approval of the application.
10. JCBS reserves the right to establish the conditions and requirements of the funding agreement between the applicant and JCBS for approved applications.
11. An applicant that has failed to perform in accordance with the contractual agreement with JCBS on any one project shall therefore be considered by JCBS to be in default on all other projects, and no further funds shall be disbursed until the problem has been resolved to the satisfaction of JCBS.
12. Agencies must demonstrate an ongoing effort toward publicizing its programs, functions, and location to all segments of the community utilizing all feasible media. It is expected that public education materials and media information state that funding is being received from JCBS.
13. Agencies are required to submit a list of the members of the governing Board including names, addresses, telephone numbers, occupation, and term for each Board member and a similar list of the officers.
14. Agencies requesting funds from JCBS shall comply with all requirements as stated in JCBS's Agency Funding Policies and Procedures unless JCBS in its discretion waives any requirements due to special circumstances.
